

Custom & Consecutively Numbered Tags

- i** *Wide variety of type sizes and tag shapes available*
- i** *One, two, or three lines of characters*
- i** *Horizontal or vertical orientation*
- i** *Available in aluminum or brass*

Premax can readily manufacture a wide variety of tags displaying consecutive numbers, either alone or combined with company logos, initials or other relevant text. Nail holes can be customized for your particular application. First time orders may incur an additional (one time) charge, depending on die requirements.

Special orders? No problem! Premax would like to be your number one supplier for asset identification products. With over 80 years of experience we can call on a wide variety of metal forming and screenprinting capabilities

to produce just the right marker for your particular application. If you don't see what you need in our catalog, please feel free to consult our factory at 800-328-0194 for a quote.
